INVESTIGATING \$1,000 BURGLARY, CROYDON MANOR

Glass Removed From Door; Goods Taken Through An Opening

AT MARTIN'S STORE

\$500 Worth of Jewelry is Stolen During Absence of Davisville Woman

Police are investigating two burglaries which occurred in Bucks County during the past few days. In the one, at Croydon, a large section of glass was removed from the door of a store so the burglar alarm would not be set off, and through the door section goods valued at over \$1000 was removed. The other burglary occurred at Davisville, where thieves made off with \$500 worth of jewelry after breaking glass in a basement door.

Bristol township Chief of Police Joseph Seader is working in conjunction with state police of Langhorne barracks in the Croydon case. Two suspects are under surveillance. Seader stated in reporting the incident today. It is stated that the thief or thieves removed moulding from around a large section of glass in the door at Martin's Electrical Supply Store, Bristol Pike, between Walnut and Hillcrest avenues, Croydon Manor, between two and five a. m., Saturday. It appears an attempt was made to jimmy the door, but the intruder evidently noticed a burglar alarm was affixed. The moulding was then removed, and the piece of glass set against Jesse Rogers' meat store, next door. Goods carted off includes: two floor model television sets, valued at \$330 each; two antenna, \$10; electric clock, \$20; table radio, \$19; electric mixer, \$30; electric iron, \$12; toaster, \$16; heater, \$14; bicycle, \$14.

Rain Clouds Over Yankee Stadium Early Today

By Charles Einstein (I. N. S. Sports Writer)

NEW YORK, Oct. 5.—Rain clouds whirled over Yankee Stadium today, jeopardizing the opening day of baseball's 46th World Series and threatening to do what nothing else did—stop the New York Yankees and the Brooklyn Dodgers.

Pending actual rainfall and postponement of today's series opener, however, a first-game crowd of 70,000, half of whom will never know how they ever managed to hustle their tickets, was to watch New York right-hander Allie Reynolds pitch against either Elvin Roy or Don Newcombe for the Dodgers.

Today's opening game—Yankees favored 2 to 5 if Newcombe pitches for Brooklyn. Yankees favored 7 to 5 if Roy hurls for Brooklyn.

Series odds—Yankees favored 17 to 10.

MONTHLY MEETING

NEWPORTVILLE, Oct. 5.—The monthly meeting of Newportville Fire Co., No. 1, will be held Thursday at eight p. m. in the fire station.

A SUMMARY OF THE NEWS

The Senate, after striking out the flexible price-support feature of the Anderson long-range farm bill, sent the measure back to an committee last night to be re-written. A Senate subcommittee ignored President Truman's plea for confirmation and unanimously opposed Federal Olds for a third term as Federal Power Commissioner.

Administration leaders in the House won a rule barring amendments to the bill expanding Social Security coverage during the debate starting today.

The Navy opened an inquiry into how documents quoting three admirals to the effect that unification of the armed forces had shattered naval morale had been made public. Congressional leaders were undecided about an investigation. President Truman, who reviewed airborne combat operations, touched upon the dispute when he voiced the hope that "when the Navy and the Air Force get all their troubles settled" the Army would still "make its way."

Makers of household appliances, their steel supply cut off by the strike, rationed deliveries to dealers. The Government considered imposing controls on steel exports. Washington looked for Federal intervention in the soft-coal strike by

SOPHOMORES CHOOSE OFFICERS FOR TERM

Gregg Certificate of Teaching Accomplishment is Granted Mr. Frankmore

WOOD ST. PLAYLET

With an election held on Friday, the Sophomore class of Bristol high school named the following officers: William White, president; Herbert Sherwood, vice-president; Joan Volponi, treasurer; Kay Fisher, secretary.

A sophomore class party to be held Friday, Oct. 28th, in the high school auditorium. Committee chairmen named for the party are: Refreshments, Ann Ardrey; entertainment, Vincent Recca; dance, Loretta Trasatti; clean-up, James DeVoe; tickets, Marie Constantini; finance, Margaret Baumann, Raul Stevens, Barbara Lynn.

Miss Louise Thorne was one of the 60 students in a freshman class of more than 500 at Bucknell University, Lewisburg, who were exempt from a course in freshman English, due to an excellent grade received in a freshman English class. The locale is a graduate of Bristol high school, and daughter of Mr. and Mrs. Lester D. Thorne, 201 Jefferson avenue.

Miss Madelyn Kennedy, a member of Bristol high faculty, exhibited some of her own art work at Long Beach Island Foundation for the Arts and Sciences during the past summer. The exhibition was attended by 14,000. It is stated. One painting by Miss Kennedy, titled "The Sea," was sold during the exhibit.

At Wood street school grade six pupils had a busy day on Friday. On that day Miss Grace Haas directed a play, "Nancy Looks over Her Book."

The Gregg Writer certificate of teaching accomplishment has been awarded to Philip B. Frankmore, commercial teacher at Bristol high school, in recognition of outstanding results in the teaching of shorthand and typewriting as evidenced by percentage of students under instruction who have earned rewards through the official Gregg Writer testing program.

Only five such certificates are awarded in the United States each year. It was on the basis of last year's senior commercial class that this certificate was awarded. 100% of the class chalked up 100 words per minute; 80 per cent 120 words

WATER QUESTION IS SOURCE OF CONTROVERSY

Morrisville Council and Authority Are At Odds Over Supply

PLAN TO MEET AGAIN

MORRISVILLE, Oct. 5.—There is friction here between Borough Council and the Municipal Authority over plans by which the borough's water supply can be increased.

Taking more water from the Delaware river is favored by council while the Authority is of the opinion that artesian wells should be drilled to supply the needed water. The estimated cost of drilling the wells is given as \$56,000 while obtaining more water from the river is estimated to cost \$320,000 including the expansion and renovation of the filter plant.

Both sides of the question were argued at length Monday night at a special meeting of Borough Council. The argument waxed so hot at times that it produced these developments:

1.—Council President Harry M. Lair suggested that members of the Municipal Authority "ought to resign if they can't work hand-in-hand with Council."

2.—And Councilman Caleb B. Cope, one of two councilmen defeated at last month's primary election, blamed the political upsets in the borough on the fact the Authority has prevented Council from going ahead with its program.

In the end, however, both Council and the Municipal Authority agreed to meet again next Monday for further discussion of the water question. At that time, the Municipal Authority will present a report from the Layne-New York Company on the possibility of using well water to augment the present river supply. The Layne-New York Company is a large well-drilling firm.

The whole water question was tossed up in the air last April when Council created the Municipal Authority for the purpose of financing the contemplated expansion of the borough's water works. After looking over the figures for the proposed improvements, the Authority sent Council a letter asking that it investigate the possibility of using artesian wells.

The members of the Authority, which is headed by Alfred A. Redland, admitted that test wells drilled in the borough in 1937 had proven unsatisfactory as a source of water. The wells contained so much iron that it would have been an expensive proposition to remove it. However, the Authority pointed out that the Victor Chemical Company drilled a well near its plant last year that is producing a large quantity of excellent water.

Council turned the investigation of the problem over to the Philadelphia engineering firm of Albright & Friel, which had been retained to supervise the expansion of the water works. Francis S. Friel, a member of that firm, reported on his findings last night.

Friel admitted that a well similar to the Victor Company's would solve Morrisville's water problem temporarily. But he argued that this well has not been in service long enough to tell whether the quality and quantity of the water it is producing will stand up. He pointed out that many other wells in the same general area had failed to produce the right kind of

PUPILS HELP WITH EDGELY INVENTORY

Have Fun While Learning, They Report; Laurel Bend Assembly Program

NUMEROUS ACTIVITIES

Pupils at Edgely building, Bristol township schools, were delighted when the teachers asked them to help take inventory. The first task was to count the number of books in each subject or category, it being necessary for the pupils to write the titles and names of publishers. "We had fun and yet learned quite a bit" the girls and boys report. "We learned to spell such words as 'copyright,' 'publisher' and 'foreign.' As for other academic subjects—well if we did not know how to count to a hundred—how to handle books properly—how to identify the contents—how to decide the grade levels of a given book, we are now better informed. We had the fun of looking at our past and peeking into our future, academically speaking."

At Laurel Bend school a special assembly program climaxed a unit of study on Pennsylvania. The children of the entire school expressed their shared experiences together: Prologue—"Today and Yesterday in Pennsylvania," Bertha Kolp; 1. story, William Penn comes to Pennsylvania, Alice Lane; 2. story, The Founders of Pennsylvania, Hettie Zorr; 3. songs of Stephen Foster, girl's glee club; Dorothy Douglas, Yvonne Brown, Margaret Stephens, Judith Smith; 4. recitation, The Keystone State, Ross Smith; 5. A Trip through Pennsylvania via Class Scrapbook, Josephine Vattimo; 6. story, Life of Benjamin Franklin, Claudette Colvin; 7. songs of Stephen Foster, boy's glee club, William Schmitt, Dale Smith, William Lovette, Charles Williams; 8. Seeing Pennsylvania through Posters; a. The Amish People, Ruth Ann Simon; b. The Making of Maple Syrup, Carol Schell; c. Winter Scenes in Pennsylvania, Violet Lovette; d. Summer Scenes Along the Delaware, Mary Jane Carango; e. Apple Picking in Pennsylvania, Herbert Schoell; 9. Our Pennsylvania President, Vera Schell.

Before concluding the assembly the children expressed a desire to visit the "zoo" at Philadelphia to secure individual snapshots for their Pennsylvania scrapbook. A date in the near future is being planned.

The school travel club plans to make a map of places visited during the school term. The "early birds" in this project are: 1. Charles Cahill, 6th grade, Wildwood, N. J., Sept. 24th; 2. Elizabeth Jordan, Princeton University, Sept. 24th; 3. Josephine Vattimo, 6th grade, New Jersey State Fair, Trenton, N. J., Sept. 26th.

Perfect attendance for September at Laurel Bend:

Mr. Foley's class—David Johnson, Dale Smith, Ross Smith, Charles Williams, Dorothy Douglas, Carol Houser, Gail Kelly, Georgann Kilgore, Alice Lane, Loretta Taylor, Josephine Vattimo, John Ems, Lance Hand, James Long, Elmer MacKelvey, George Pollard, William Schmitt, William Scott, John Cummings, Yvonne Brown, Arlene Ems, "Judy" Smith, Hettie Zarr, Herbert Schoell, Margaret Puke, Shirley Fisher, Ruth O'Brien, Anna Conover.

KIWANIANS OBSERVE NAT'L NEWSPAPER WEEK

Representatives of Bristol Courier, Delaware Valley Advance Are Guests

A PAPERMAKING FILM

PENNDLE, Oct. 5.—In celebration of National Newspaper Week, members of Bucks County Lincoln Highway Kiwanis Club had among their guests at last evening's weekly dinner meeting representatives of two newspapers in lower Bucks County—Lester D. Thomas, managing editor of the Delaware Valley Advance, Langhorne; and Miss Elma E. Haefner, of The Bristol Courier.

Reference was made to the slogan "Freedom goes where the newspaper goes," the theme being "Rediscover your home town." The session was held at the Royal Gardens, Lincoln highway.

The guest newspaper representatives participated briefly in the discussion. A sound film on papermaking traced this industry from the time the trees of the northern forests are marked for felling, on through sledging of logs to the streams, rounding into booms, loading of freighters, delivery to the pulp mills, and the interesting process of preparation of the logs for manufacture of paper. The Courier representative mentioned briefly at the conclusion of the film: "Our work of publishing a newspaper commences with the delivery of the rolls of pulp paper to our plant. Our detailed work is in the writing of news-stories, preparation and editing of copy for the type-setting machines; then follow the various processes of make-up for the printing of nearly 5,500 copies daily for delivery throughout lower Bucks County. . . . The Courier is one of two dailies and several weekly newspapers in the county ready and willing to serve your club and other clubs and organizations in any way possible." The film was provided through courtesy of Mr. Thomas, who also spoke to the Kiwanians for a few minutes.

The program was directed by William S. Erwin, of Langhorne, with the projector in charge of Wayne Stradling, Langhorne R. D. Paul Sauerby, president of Kiwanis, elaborated on the project "It's Fun to Live in America," and named committeemen for the same.

A number of guests were in attendance. Guests from Quakertown Kiwanis Club, Roy Hager, Paul Meyer, Arthur Peters and Henry Lloyd, were introduced by Edward Johnston. These men extended an invitation for the host group to attend

Problems of Making Axles is Discussed

ANDALUSIA, Oct. 5.—Harry Schneider, Bensalem Rotary Club member, told his fellow Rotarians last evening of the problems which the firm he is affiliated with experiences in making axles.

The speaker informed that the Timken Detroit Axle Co. studies many variables such as axle load, speeds, driver, metals, lubricants, etc., with the aim to build the best axles for trucks and trailers. He informed that the firm strives for a light-weight axle with ample torque strength. "I feel that trucks could be run more efficiently if a tachometer, indicating the revolutions per minute of the engine, would replace the speedometer," he commented.

President William States opened the meeting, and called upon Mr. Schneider for his presentation at the meeting in King hall. Women of the Episcopal Church of the Redeemer served the meal.

Rotarian Richard White presented to the club suggestions for helping Europe in the dollar shortage, which suggestions he had noted when attending a meeting of a New York Rotary Club. They included: Bring domestics from Europe to the United States (every home needs one or two); the domestics would send their pay back to Europe to help ease the dollar shortage; cut rate of streamer trips to Europe, thus helping to pour more dollars into the impoverished countries ("all of us could use a trip to Europe" was his comment).

TWO CONVICTS PLEAD GUILTY

Harry Strouse and Samuel Westwood Both Are Before the Court

SENTENCES ARE GIVEN

DOYLESTOWN, Oct. 5.—Two convicts pleaded guilty yesterday before Judge Hiram H. Keller to charges of burglary at the Harvey Kreessler garage, near Springtown, on November 6th, 1946, when loot valued at \$77 was stolen.

The pleas were entered by Harry Strouse and Samuel Westwood, both of whom are serving time for burglaries and other crimes. Two others—John Fitzpatrick and Henry Toth, were arrested with Strouse and Westwood, and were sentenced.

Corporal A. J. McCarr, of the Bethlehem sub-station of State Police, testified that the gang was arrested in Bethlehem after a month of crimes in Bucks, Northampton and Lehigh counties, and a car theft in Bethlehem.

Parole Officer Fred H. P. Petry, of the Eastern Penitentiary, testified that Westwood is serving 4 to 8 years in the "Pen" and his minimum expires in 1950.

The defendant Strouse, 22, a native of Allentown, Pa., has lived in San Diego, Cal., for some years. Strouse served 32 months at White Hill Industrial School. He has a 2 to 4 year suspended sentence in Lehigh county and was brought here on a detainer from Allentown.

Strouse told the court that he would like to return to California and "G. I." school. He is a Navy veteran.

Westwood, Jr., 27, is a native of Bethlehem. He told the court he has been in trouble for stealing a car and for a number of robberies. Westwood served time in Northampton county, and that he still

Political circles said this means the premier may submit his resignation.

ENROLLMENT IN SCHOOLS NORMAL; EXPECT A JUMP

Figures Show An Increase Is Likely in First Grade In 1953

INCREASES CONTINUE

Board Receives Numerous Requests For the Use of School Facilities

"Our gross enrollment does not show any unusual problems," Warren P. Snyder, superintendent of the Bristol public schools, reported last night to the Bristol school board. "The enrollment in the first grade fairly well maintains the increase which started two years ago, but there is a slight tendency to drop off for the next few years, to a small extent, but indications are that in 1953 we will have a very sudden jump in the first grade and probably the preceding year in kindergarten."

Enrollment figures showed 146 in first grade, 152 second grade, 103 third grade, 100 fourth grade, 100 fifth grade, 96 sixth grade, 114 seventh grade, 97 eighth grade, 117 ninth grade, 104 tenth grade, 206 eleventh grade, 140 twelfth grade.

Mr. Snyder reported upon his attendance at the Harrisburg Educational Congress on September 29th and 30th.

David Hertzler, high school principal, informed the board that the enlarged dining room is being used close to its seating capacity. Every effort is being made, he said, by the athletic directors to make the football games and field facilities as appealing to the public as possible.

Plans have been completed for the Washington trip to be made by the seniors on April 24th, 25th, 26th and 27th.

The Traffic Club will make at its own expense a trip to New York City on October 25th.

Mr. Hertzler was instructed to attend the Secondary School Principals' Conference at Harrisburg on October 31st and November 1st.

The board received the report of treasurer, Lee Van Gilder.

John Paglione suggested that the finance committee investigate opportunities to invest the moneys in the special fund, resulting from the sale of the original site purchased for the proposed high school building. This committee will report at the next meeting.

The sum of \$7,856.25 was transferred from the general fund to the sinking fund to pay bonds which are maturing along with the interest due upon them.

John Paglione reported that the poles carrying the floodlights had all been supported with guy wires.

Reporting for the Supply Committee, John Paglione, presented bids for coal and fuel oil. The contract for fuel oil was given to Dixon Brothers at the price of \$969 per gallon for No. 5 fuel oil. Contract for coal was awarded to Bristol Fuel Company at \$12.65 per ton for deliveries to Washington, Wood and Bath streets buildings and \$13.65 per ton for deliveries to the Jefferson avenue building.

In order to bring life to men Jesus sought to understand man. As Creator He knew about man's origin and nature and destiny. He knew about the curse and cost of sin — but He became flesh that He might understand man. He walked the path we trod. He was tempted like we are. He knew both sorrow and pain. He experienced love and rejection. He bore the burden of sin when the iniquity of us all was laid upon Him. Jesus wanted to understand man so that we would have an High Priest who is touched by the feeling of man's infirmity — so that He might help us to have life.

This year, **SAVE MONEY**
with the new, improved...

"I've fixed the fire for the day, dear,
You won't have to touch it!"

The EASY way is the RIGHT way to burn Alan Wood Coke. In normal winter weather, just fill the firepot heaping full in the morning and you'll have a comfortable home all day long. An Alan Wood Coke fire heats quickly, makes a hot fire, so less draft is needed than for other solid fuels.

NEW, IMPROVED COKE
Reg. U. S. Pat. Off.
—the least expensive way
to heat your home!

Your fuel bill for the year will be less — MUCH LESS when you burn new, improved Alan Wood Coke. First — you save on the purchase price because it's one of the lowest priced fuels on the market! Second — you save because you buy fewer tons! The new Alan Wood Coke goes further, burns longer, heats quicker. This season Alan Wood Coke is different — improved preparation methods make it cleaner, more uniform in size, more efficient to burn, yet it doesn't cost a penny more!

Here's the ideal home fuel — heats easier, costs less. New preparation methods make Alan Wood Coke better than ever before.

**CLEANER! MORE UNIFORM IN SIZE!
MORE EFFICIENT!**

You'll be amazed at how much heat you get from the new, improved Alan Wood Coke, with so little effort. No more running up and down stairs every few hours to keep the fire going. No more ahead-of-time rising to get the house warm on wintry mornings.

With this new, finer Alan Wood Coke you'll have quick heat and steady, lasting heat all day, with minimum effort on your part. And keep in mind — all this at a saving, for every ton of Alan Wood Coke costs less and lasts longer. IMPORTANT NOTE — to be sure you get Alan Wood Coke, look for the certification sticker on every delivery ticket. It reads "None genuine without this seal."

Enjoy a warm, comfortable winter with the lowest possible fuel cost. For immediate delivery of NEW, IMPROVED ALAN WOOD COKE call your nearest authorized dealer —

ST. ANN'S GOES INTO TIE FOR 1ST PLACE, CONFERENCE RACE

PHILADELPHIA, Oct. 5 — St. Ann's A. A. went into a tie for first place in the Northeast Football Conference by winning over Chestnut Hill, 13-0, last night under the lights on the latter's gridiron. It was the second straight win for the Bristol team.

"Bill" Marion and Joe Elmer scored the St. Ann's touchdowns with runs of 45 and 30 yards, respectively. Marion made his jump in the first period while Elmer crossed the goal-line in the last session. Following Marion's six-point, Nick Lomma place-kicked the extra point after a nice piece of block-work by "Luke" Wade.

The "Saints" chalked up eleven first downs in the victory while Chestnut Hill had four, two of which were the result of penalties. Chestnut Hill got as far as the St. Ann's 30-yard line in the third quarter which was their only threat to the St. Ann's goal-line.

The first quarter was an exchange of punts until Joe Elmer returned one of the kicks to the 25-yard line. Leo Fiorelli and Joe Napoli made consecutive first downs on two plays and then Marion was tossed for a five-yard loss. On the following play, Marion broke loose on an end run to score.

"Marv" Collins got off a kick for 69 yards in the second quarter which kept Chestnut Hill in a hole. Good running by Fiorelli and Elmer enabled St. Ann's to get as far as the home team's 25-yard line in the second quarter but the drive was stalled there.

Chestnut Hill's best play of the night was a 35-yard pass from Ziegler to Zollo but on the next play, Wade tossed Ziegler for a 1-yard loss.

The second St. Ann's march started on their 40 yard line. Marion and Elmer made a first on two line smashes. Elmer and Caucci made another first and Marion followed with the third in succession. Joe Elmer then went over for his score. Standing out brilliantly in the Purple and Gold triumph on the offense were Elmer, Napoli, and Marion while defensively "Luke" Wade and "Mooney" Denny stood out.

In the Chestnut Hill lineup were two players who were with St. Ann's last season, Pistilly and Spada.

The "Saints" will return to Memorial Park field Sunday afternoon to play the Langhorne Aces in a league tilt.

SOFTBALL LEAGUE TO MEET

The final meeting of the Bristol Suburban Softball League for the year of 1949 will be held this evening at eight o'clock at the Diamond Sporting Goods Store, Mill street. Managers of the teams of the circuit are requested to be present as the most valuable player will be selected.

GAME CANCELLED

The Bristol Junior High-Southampton Junior High football game, scheduled for yesterday afternoon, was called off. Southampton notified Bristol that it did not have a Junior High coach and was therefore unable to field a team.

CELTICS WIN

The Celtics Boys Club opened its football season with a 14-7 triumph over Harriman on Memorial Park field.

conference had approved a program for work in Western Germany.

At the General Assembly, Poland denounced President Truman's program for aid to under-developed areas as a plot of United States "monopoly capital" to exploit colonial regions. A resolution calling upon the International Court of Justice to clarify legal aspects of the alleged suppression of human rights by Hungary, Bulgaria and Rumania was introduced, and the new Balkan Conciliation Committee held separate talks with delegates from Russia, the United States and Britain.

In the first twelve days after devaluation of the pound £20,000,000 was added to Britain's gold-dollar reserves as the rate of drain was reduced, the Treasury reported. The dollar deficit was cut during the third quarter of the year.

TOWNSHIP JUNIORS SCORE EARLY AND DEFEAT BENSEALEM

Doing all its scoring in the first period, Bristol Township Junior Varsity won over the Bensalem Township Junior Varsity, 20-18, yesterday afternoon on Township's field.

Township counted its first touchdown in the initial period when Lumpkin intercepted a fumble while it was still in the air and ran 20 yards to cross the goal-line. He then placed-kicked the extra point to give Coach Stan Dick's team a 7-0 lead.

Robert Beebe increased Township's lead by catching a 20-yard pass in the second session. Lumpkin again added the extra point with a placement.

John Bowman scored on a quarter-back sneak to cut the lead to 14-6 but before the half-time whistle, Joe Muth went right through the Bensalem line to race 45-yards for a TD.

Bensalem staged a fine comeback in the last quarter. Both Ballisty and Esdale got off on runs on 40 and 60 yards before being brought down. Martin and Uslin scored touchdowns on passes within the 10-yard line. Bensalem failed on all its extra point tries.

Allan Holeton and Joe Muth did the best yard-gaining for Township with Joe Braam and Scott excelling on the defense.

Lineups:

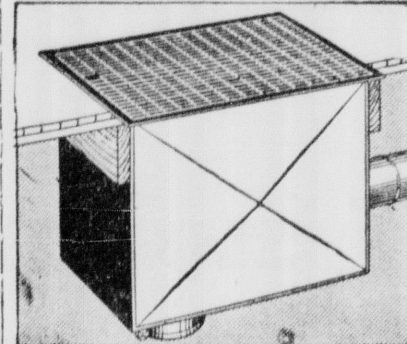

Bristol Township J. V.
Ends: Beebe, Lumpkin, Gibbs, Gugger.
Tackles: Carver, Scott, Turner, Bromley.
Guards: Braam, DeRatto, Underdown, Charlton.

INVESTIGATING \$1,000 BURGLARY, CROYDON MANOR

Glass Removed From Door;
Goods Taken Through
An Opening

AT MARTIN'S STORE

\$500 Worth of Jewelry is
Stolen During Absence
of Davisville Woman

Police are investigating two burglaries which occurred in Bucks County during the past few days. In the one, at Croydon, a large section of glass was removed from the door of a store so the burglar alarm would not be set off, and through the door section goods valued at over \$1000 was removed. The other burglary occurred at Davisville, where thieves made off with \$500 worth of jewelry after breaking glass in a basement door.

Bristol township Chief of Police Joseph Sander is working in conjunction with state police of Langhorne barracks in the Croydon case. Two suspects are under surveillance. Sander stated in reporting the incident today. It is stated that the thief or thieves removed moulding from around a large section of glass in the door at Martin's Electrical Supply Store, Bristol Pike, between Walnut and Hillcrest avenues, Croydon Manor, between two and five a. m., Saturday. It appears an attempt was made to jimmy the door, but the intruder evidently noticed a burglar alarm was affixed. The moulding was then removed, and the piece of glass set against Jesse Rogers' meat store, next door. Goods carted off includes: two floor model television sets, valued at \$330 each; two antennas, \$10; electric clock, \$20; table radio, \$19; electric mixer, \$30; electric iron, \$12; toaster, \$16; heater, \$14; bicycle, \$44.

Rain Clouds Over Yankee Stadium Early Today

By Charles Einstein
(I. N. S. Sports Writer)

NEW YORK, Oct. 5—Rain clouds whirled over Yankee Stadium today, jeopardizing the opening day of baseball's 46th World Series and threatening to do what nothing else did—stop the New York Yankees and the Brooklyn Dodgers.

Pending actual rainfall and postponement of today's series opener, however, a first-grade crowd of 70,000, half of whom will never know how they ever managed to hustle their tickets, was to watch New York righthander Allie Reynolds pitch against either Elwin Roe or Don Newcombe of the Dodgers.

Today's opening game—Yankees favored 8 to 5 if Newcombe pitches for Brooklyn. Yankees favored 7 to 5 if Roe hurls for Brooklyn. Series odds—Yankees favored 17 to 10.

The Pennsylvania Department of Public Instruction is launching a two to three year program to revise the secondary school curriculum guides in six subject fields—English, mathematics, geography, science, languages, and social studies. In connection with this program, a Conference on State Curriculum Revision, Southeastern Convention District, will be held at the University of Pennsylvania, Philadelphia, on October 10th.
Four teachers from Bristol high have been selected to participate in this program, namely: Miss Gladys Hewitt, English; Miss Grace Chambers, geography; Charles Boyd, history; and Thomas Courson, mathematics.

COFFEE SHORTAGE
Those who have delved into the subject have found the gloomy pronouncement all too true. The ubiquitous cup of coffee, the sparkplug that keeps the daily wheels running smoothly, is destined to be more expensive. Not only is there no relief in sight, but the item will also become scarcer.
American adults, who drink more than twice as much coffee as the remainder of the world combined, find little cheer in the situation. Briefly, addicts in this country are gulping nearly 50 per cent more coffee than they were a decade ago. During the same period the world output of coffee beans declined by approximately 25 per cent.
If U. S. consumption were to be reduced, it wouldn't help the situation. Coffee drinkers in Europe and elsewhere are drinking less than they were before the war, and their yearning for coffee is coming back as import patterns improve slightly.

Investigating \$1,000 Burglary, Croydon Manor

Police inform that a few weeks ago the daughter of the operator of the Red Shanty, located near Martinsburg, had a bicycle stolen. When her pet dog continued to whine during the early hours of Saturday morning, the girl got up to leave the dog out. As she opened the door she saw a new bicycle leaning against the Red Shanty. Her first thought was that someone had brought her a new bicycle to replace the one stolen, and gleefully she awoke her parents to tell them about it. When the parents noticed a tag on the bicycle they decided what had happened, and called Marlin. It was then the other goods were found to have disappeared from Marlin's place of business.
It was during a brief absence of Mrs. Charles L. Callahan from her Davisville home that a thief of thieves last night escaped with \$500 worth of jewelry.
Patrolman Henry Pfeiffer, Warminster township, said the burglar entered by breaking the glass in a basement door shortly after Mrs. Callahan left at seven p. m. to go shopping in Hattboro. Returning at 7:45, she found the second floor ransacked and the jewelry missing.
Her husband and son, Joseph, of Bryn Athyn, building contractors, told police they noticed a coupe near their home while inspecting houses under construction nearby but thought nothing about it.

Water Question Is Source of Controversy

water for any length of time. And he quoted a report by Dr. Jack B. Graham, district geologist for the U. S. Department of the Interior to back up his contention.
After going into the technical aspects of wells versus river water, Friel said bluntly: "I cannot see any way clear to recommend anything other than the improvement to the existing water filtration plant."
This report apparently did not satisfy the members of the Authority. They asked Council for permission to bring their own expert in to testify.
"All we ask is that you listen to the report of the well company," Harry Simpson, a member of the Authority declared. "After that you can make your own decision and you will be the ones who will have to answer to the voters."

Clothing and Soap Are Being Collected By Class

Members of the Alpha Bible Class, Bristol Presbyterian Church, met Monday evening at the residence of Mrs. Christine Swickard, Emilie road. The business session was presided over by Mrs. Melvin Cox, at which time final plans were discussed for the father and son banquet to be held at the church Thursday evening.

Mrs. Harry T. Neher announced that clothing and soap are greatly needed in Europe. Headquarters for the collection of used clothing will be at the homes of Mrs. Neher, Mrs. Edward Stetson, Mrs. Charles Peet, Bristol; and Miss Blanche Savage, Edgely. Fats for soap will also be collected at Mrs. Neher's home.

A social time followed, with refreshments served by Mrs. Swickard, Mrs. Peet, Mrs. Neher, Mrs. John Packard, and Mrs. Guy Gerne. Covers were placed for 34.

Today's Quiet Moment

By the Rev. R. L. Carlson
Pastor
Harriman Methodist Church

In order to bring life to men Jesus sought to understand man. As Creator He knew about man's origin and nature and destiny. He knew about the curse and cost of sin—but He became flesh that He might understand man. He walked the path we trod. He was tempted like us and He knew both sorrow and pain. He experienced love and rejection. He bore the burden of sin when the iniquity of us all was laid upon Him. Jesus wanted to understand man so that we would have an High Priest who is touched by the feeling of man's infirmity—so that He might help us to have life.

will be held Thursday evening at the club house, Wood street at eight o'clock.

This year, *SAVE MONEY* with the new, improved...

"I've fixed the fire for the day, dear,
You won't have to touch it!"

The EASY way is the RIGHT way to burn Alan Wood Coke. In normal winter weather, just fill the firepot heaping full in the morning and you'll have a comfortable home all day long. An Alan Wood Coke fire heats quickly, makes a hot fire, so less draft is needed than for other solid fuels.

NEW, IMPROVED COKE
Reg. U. S. Pat. Off.
—the least expensive way
to heat your home!

Your fuel bill for the year will be less—MUCH LESS when you burn new, improved Alan Wood Coke. First—you save on the purchase price because it's one of the lowest priced fuels on the market! Second—you save because you buy fewer tons! The new Alan Wood Coke goes further, burns longer, heats quicker. This season Alan Wood Coke is different—improved preparation methods make it cleaner, more uniform in size, more efficient to burn, yet it doesn't cost a penny more!

Here's the ideal home fuel—heats easier, costs less. New preparation methods make Alan Wood Coke better than ever before.

**CLEANER! MORE UNIFORM IN SIZE!
MORE EFFICIENT!**

You'll be amazed at how much heat you get from the new, improved Alan Wood Coke, with so little effort. No more running up and down stairs every few hours to keep the fire going. No more ahead-of-time rising to get the house warm on wintry mornings.

With this new, finer Alan Wood Coke you'll have quick heat and steady, lasting heat all day, with minimum effort on your part. And keep in mind—all this at a saving, for every ton of Alan Wood Coke costs less and lasts longer. IMPORTANT NOTE—to be sure you get Alan Wood Coke, look for the certification sticker on every delivery ticket. It reads, "None genuine without this seal."

Enjoy a warm, comfortable winter with the lowest possible fuel cost. For immediate delivery of NEW, IMPROVED ALAN WOOD COKE call your nearest authorized dealer—

ST. ANN'S GOES INTO TIE FOR 1ST PLACE, CONFERENCE RACE

PHILADELPHIA, Oct. 5 — St. Ann's A. A. went into a tie for first place in the Northeast Football Conference by winning over Chestnut Hill, 13-0, last night under the lights on the latter's gridiron. It was the second straight win for the Bristol team.

"Bill" Marion and Joe Elmer scored the St. Ann's touchdowns with runs of 45 and 30 yards, respectively. Marion made his jump in the first period while Elmer crossed the goal-line in the last session. Following Marion's six-pointer, Nick Lomma place-kicked the extra point after a nice piece of block-work by "Luke" Wade.

The "Saints" chalked up eleven first downs in the victory while Chestnut Hill had four, two of which were the result of penalties. Chestnut Hill got as far as the St. Ann's 30-yard line in the third quarter which was their only threat to the St. Ann's goal-line.

The first quarter was an exchange of punts until Joe Elmer returned one of the kicks to the 25-yard line. Leo Fiorelli and Joe Napoli made consecutive first downs on two plays and then Marion was tossed for a five-yard loss. On the following play, Marion broke loose on an end run to score.

"Marty" Collins got off a kick for 49 yards in the second quarter which kept Chestnut Hill in a hole. Good running by Fiorelli and Elmer enabled St. Ann's to get as far as the home team's 25-yard line in the second quarter but the drive was stalled there.

Chestnut Hill's best play of the night was a 35-yard pass from Ziegler to Zollo but on the next play, Wade tossed Ziegler for a 1-yard loss.

The second St. Ann's march started on their 40 yard line. Marion and Elmer made a first on two line smashes. Elmer and Caucel made another first and Marion followed with the third in succession. Joe Elmer then went over for his score. Standing out brilliantly in the Purple and Gold triumph on the offense were Elmer, Napoli, and Marion while defensively "Luke" Wade and "Mooney" Denny stood out.

In the Chestnut Hill lineup were two players who were with St. Ann's last season, Pistilly and Spada.

The "Saints" will return to Memorial Park field Sunday afternoon to play the Langhorne Aces in a league tilt.

TOWNSHIP JUNIORS SCORE EARLY AND DEFEAT BENSALEM

Doing all its scoring in the first period, Bristol Township Junior Varsity won over the Bensalem Township Junior Varsity, 20-18, yesterday afternoon on Township's field.

Township counted its first touchdown in the initial period when Lumpkin intercepted a fumble while it was still in the air and ran 20 yards to cross the goal-line. He then placed-kicked the extra point to give Coach Stan Dick's team a 7-0 lead.

Robert Bears increased Township's lead by catching a 20-yard pass in the second session. Lumpkin again added the extra point with a placement.

John Bowman scored on a quarter-back sneak to cut the lead to 14-6 but before the half-time whistle, Joe Muth went right through the Bensalem line to race 45-yards for a TD.

Bensalem staged a fine comeback in the last quarter. Both Ballist and Edale got off on runs on 40 and 60 yards before being brought down. Martin and Ullin scored touchdowns on passes within the 10-yard line. Bensalem failed on all its extra point tries.

Allan Holton and Joe Muth did the best yard-gaining for Township with Joe Iraman and Scott excelling on the defense.
